

LANCE JIBRIL TERO

lance.tero@gmail.com – (270) 978-9108 – Brentwood, TN –
<https://juneti.github.io/MyPortfolioWS/>

EDUCATION

Middle Tennessee State University

BS Computer Science and Mathematics

Aug 2019 – May 2023

Murfreesboro, TN

EXPERIENCE/RESEARCH

Vanderbilt University

Software Engineer

Aug 2022 – Dec 2022

Nashville, TN

- Created a game using Unity to collect data off players to find problem areas in their social skills.
- Created game objects and textures using Blender.
- Designed communication for player to player using WebRTC with video chat and voice call.
- Collaborated with 5 other software engineers to get the tasks completed.

Chipotle

Crewmember

Aug 2020 – Oct 2021

Brentwood, TN

- Worked as a member of the line crew to ensure customers had a good experience.
- Depending on the day I would work in the front serving food, work the grill, create and pack online orders or washed the dishes.

SKILLS

- Languages: C, C++, C#, Java, Python, JavaScript, SQL, HTML/CSS, PHP
- Technologies: MySQL, React, Node.js, jQuery, Flask, PyTorch, TensorFlow, REST, UNIX, Git
- Other: UX Design, UX Interface, Statistics, Data Analysis, Neural Networks, Machine Learning

PROJECT EXAMPLES

Portfolio Project

JavaScript, Node.js, REACT, EmailJS
Designed a portfolio for myself using different web technologies to showcase myself to potential employers and to familiarize myself with industry standard technologies.

API for Restaurant

C#, .NET6, REST
REST API project to teach myself how APIs are created, formatted and used by websites.

Online Webstore

HTML/CSS, PHP, MySQL
An online webstore front that acts as a middle-man for customers to do transactions to sell and buy used textbooks and books.

McWindows

HTML/CSS, PHP, JavaScript, jQuery, MySQL
A restaurant ordering system that utilizes databases, PHP and other web technologies for customers to order food from.
